**ADMISSIONS** - Admission to all programs is offered on a rolling basis. You can register for the “Growing Together” program by calling (203) 661-6484. For Kindergarten admissions, the process begins with a completed application submitted with a \$40 processing fee. You will then be contacted to schedule a teacher interview. After your interview, the teacher will arrange a class visit or a play group session for your child. All information gathered, including supplemental information requested and follow up dialogue, is then reviewed by our faculty.

**ENROLLMENT CONTRACT & DEPOSIT** - If your child is accepted, you will be sent an Acceptance Letter together with an Enrollment Contract and health forms. The completed Contract should be returned within 10 days accompanied by a non-refundable \$500 tuition deposit.

**PAYMENT PLANS** - We offer four plan options: 1) Annual with one payment in July; 2) Semi-Annual with two equal payments in July and January; 3) Quarterly with four equal payments in July, October, January and April plus a \$40 service fee; and 4) Monthly with ten equal payments from July through April plus a \$100 service fee.

**SIBLING DISCOUNT** – A 10% discount applies to each younger sibling enrolled (except for late contracts).

**TUITION REFUNDS** - 50% of tuition payments will be refunded if a student withdraws within the first 30 days of the school year for any reason. No other refunds are available.

**TUITION ASSISTANCE** - The School is unable to offer scholarship aid. However, we will consider other methods of assistance, such as modified payment schedules, to help ensure that accepted applicants can enroll.

**TIMELY PAYMENTS** - Payments are due by the 15<sup>th</sup> of each month in which a payment is scheduled. Late fees apply to payments more than ten days late, and suspension can result from extended overdue status.
